

School Ethos, Aims and Value

“WE, THE CHILDREN, TEACHERS, PARENTS AND GOVERNORS OF SACRED HEART RC PRIMARY SCHOOL ARE DEDICATED TO RECOGNISING AND DEVELOPING EACH PERSON’S POTENTIAL IN A SECURE AND LOVING COMMUNITY.”

At Sacred Heart, we aim to provide a safe, secure, stimulating and supportive atmosphere in which each child is valued. Underpinning everything we do is to develop the uniqueness of each child so he/she becomes a well-balanced individual living life through the Gospel values, witnessing to God’s love, in a spirit of curiosity, inquiry and reflection. We aim to nurture mind, body and spirit through a broad and balanced curriculum while fully supporting the DFES agenda to increase opportunities for young people;

- To be healthy
 - To stay safe
- To enjoy and achieve
- To make a positive contribution
- To achieve an economic wellbeing
